

CATÁLOGO

2026

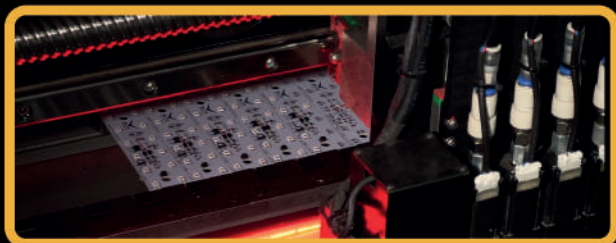

¿QUIENES SOMOS?

INDUSTRIAS FLIV ES UNA FÁBRICA EXPORTADORA DEDICADA AL DISEÑO, PRODUCCIÓN Y COMERCIALIZACIÓN DE LUCES LED Y ACCESORIOS PARA CAMIONES.

FUNDADA EN 1997, NUESTRA EMPRESA CUMPLE CON LOS MÁS ALTOS ESTÁNDARES EN SERVICIO AL CLIENTE Y CALIDAD, GRACIAS A LA IMPLEMENTACIÓN DE NUEVAS TECNOLOGÍAS QUE HAN AUMENTADO LA PRODUCTIVIDAD DE NUESTRA EMPRESA, FACILITANDO ASÍ NUESTRAS TAREAS DIARIAS Y BENEFICIANDO EL TIEMPO DE ENTREGA.

EN EL TRANSURSO DE NUESTRA HISTORIA HEMOS EJECUTADO NUEVAS LÍNEAS DE PRODUCTOS, CON EL COMPROMISO DE PROVEER A NUESTROS CLIENTES UNA SOLUCIÓN INTEGRAL A SUS NECESIDADES. CONTAMOS CON UN EXCELENTE EQUIPO DE TRABAJO ESPECIALIZADO Y PREPARADO PARA LOS CAMBIOS E INNOVACIONES TECNOLÓGICAS QUE SE PRESENTAN EN NUESTRO ÁMBITO LABORAL.

PARA EL 2025 HEMOS LOGRADO PARTICIPAR ACTIVAMENTE EN LA EXPORTACIÓN DE NUESTROS PRODUCTOS A NIVEL INTERNACIONAL.

FORJANDO EL FUTURO, ILUMINANDO LAS CARRETERAS DEL MUNDO

2022 2023 2024 2025

EXPO PARTES

A lo largo de los años, hemos participado en EXPOPARTES, la feria líder del sector automotriz en América Latina, organizada por Asoportes. Este evento ha sido una plataforma clave para fortalecer alianzas estratégicas, impulsar la innovación y consolidar nuestra presencia en el mercado nacional e internacional. Seguiremos apostando por espacios que fomenten el crecimiento y la evolución de la industria.

2021 2022 2023 2024 2025

2025

FIESTA TROKERA

El pasado 29 y 30 de marzo, la ciudad de León, Guanajuato fue el punto de encuentro para los apasionados del mundo truckero en un evento único de exhibición de mulas modificadas. Más de dos días llenos de potencia, estilo y mucho cromo, donde las máquinas más imponentes se robaron todas las miradas

TEAMGUATE

En Guatemala el día 9 de Marzo, se vivió un evento increíble, iTeamGuate! Cargado de motores pesados, mucha velocidad y como no es de esperar excelente iluminación vehicular de la mano de Industrias Fliv

2024 2025

2023 2025

ANPACT

La Expo Transporte Guadalajara México, se destacó como un evento clave para nuestra industria. Esta feria congregó a empresarios, proveedores y transportistas con el fin de establecer alianzas estratégicas y exhibir nuestros productos destacados.

DUAL 12-24 VOLT

Tecnología SMD con ultrailuminación estable de 9V a 32V.

SMD technology with stable ultra-illumination from 9V to 32V.

Totalmente sellado al contacto con polvo. Protegido contra chorros de agua en todas las direcciones.

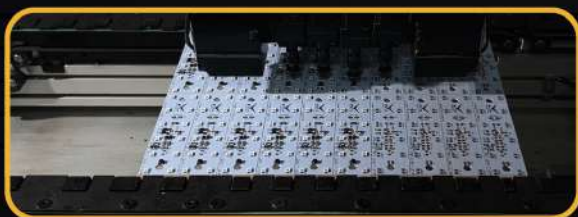

Totally sealed to dust contact. Protected against water jets in all directions.

LED SMD

El 100% de nuestros productos utiliza tecnología SMD (Dispositivo de montaje superficial) de última generación, más brillante y mas resistente.

100% of our products use the latest generation of SMD (Surface Mount Device) technology, brighter and more resistant.

Garantizamos calidad, iluminacion, diseño. Utilizando tecnología y materiales de ultima generacion con personal calificado.

We guarantee quality, illumination and design. Using the latest technology and materials with qualified personnel.
